## Meeting Actions from the SEMS Management Group, 2022

- Action: All to send relevant information, updates or concerns to the SEMS office throughout the year in addition to completing the Annual Survey. All to use SEMS resources to support wider work. All to begin considering how we can manage or reduce those activities that are impacting using existing powers and functions.
- Action: All to use the Solent Plastics Pollution hub [media pack](#) to help publicise this initiative. First annual review now available.
- Action: All to publicise and use the 101 Police reporting facility to report ASB on the coast and in the marine environment.
- Action: All to consider downloading and publicising the [Project Kraken poster](#).
- All to please provide any evidence that can be used in the SPA condition assessment process for MPAs to Jessica Taylor once these begin.
